TO MAKE 6 PERFECT SCONES, ALL YOU NEED IS:

- 250ml Milk
- Flat baking tray (dusted with flour)
- 8cm/3" scone cutter or plastic beaker

- 1 Ensure oven is fully preheated to 200°C, 400°F, Gas 6. Sprinkle flour on baking tray. **Tip:** Preheat baking tray - this will give you light, well-risen scones.
- 2 Pour 250ml milk into mixing bowl and then add contents of pack.
- 3 Mix ingredients together with a wooden spoon. Keep mixing until they form into a soft ball of dough.
- 4 Sprinkle flour on work surface and place dough onto it.
- 5 Put a little flour on dough and press out until it is 2½cm/1" in height. Use cutter or beaker to cut out scones. Press trimmings together and repeat.
- 6 Place scones on floured baking tray and bake for 15-20 minutes until golden brown.
- 7 Cool on wire tray. Serve with lashings of your favourite topping!
